PUT UP POSTERS/FLYERS within a 5-20 mile radius of the location where your pet was last seen. Also, put up posters/flyers around your neighborhood.

Check in person at:

Animal Care Services (ACS) (the pound)

www.sanantonio.gov

4710 State Highway 151/San Antonio, Texas 78227/(210)207-4730

You must visit them in person. Once they have an animal in their possession, they only hold it for approx. 48-72 hours before killing it, even if it has tags on. **DO NOT GIVE UP!!!** Remember, people may take in a stray temporarily while they look for the owner(s) before taking it to ACS. People have found their animal(s) within 2-3 months after they went missing, because they **DID NOT GIVE UP** and were faithful in going down there to look in person. Please, call ACS for directions – call (210)207-6650. In addition, ACS posts a few – (if not all) – of the animals they get in on their website. Also, Magic 105.3 has a link to ACS – just go to their website and then click on **PETFINDER** link and then find the link to ACS and click on that – it will take you directly to ACS' site of animals they get in everyday – **BUT**, remember **YOU HAVE TO GO DOWN THERE IN PERSON. THEY WILL NOT HOLD YOU PET(S) FOR YOU!!!**
